While we've covered the top five HDTV tuners before, sometimes users require a purely external solution. If you use a small form factor case for your home theater PC, TV tuner manufacturers have you covered. While most people prefer an internal solution, there are times when using an external TV tuner, whether USB or Ethernet, is the best option. If you're in the market for an external solution

Digital TV Tuners & Converters - Best Buy

This is an often overlooked advantage to purchasing external HDTV network tuners. I don't know how many times I've had to go up on a roof to adjust or fine tune my TV antenna. Without external HDTV network tuners in your setup this task requires two people (or a lot of up and down a ladder for one person!).
