### **New Home XL II Not Sewing Selected Design? | ThriftyFun**

She arrived with her husband and a piece of double sided fleece. She admitted her white plastic Brother was not meant to sew two layers of fleece but just do minor repairs. Sure enough, the New Home XL-II handled it with ease once the stitch length was at the max. She loved it, especially how the accessories were stored in the top compartment.

New Home Sewing Machine Skipping Stitches. This can happen when your needle is bent or broken. Simply replace the needle and make sure it is the right one for your machine. Or you may have to rethread the top and bottom threads to make sure they are meeting where they are supposed to meet in order to create the stitch.
